

GUIDELINES AND SAFETY PROCEDURES

- **IMPORTANT! We are ONLY signing up by email dance@fredericksburgballet.com to register. You must sign up and just not show up as we may not have a spot for you.**
- **All Parents must sign the FBC Covid-19 Release Form before attending classes. You can find a printable pdf on our website at this link.**
- **<http://fredericksburgballet.com/resources/Covid-FBC-release-form.pdf>**
- We will be limiting the size of classes based on guidelines set by the State of VA.
- We will be using all 3 outside door entrances to limit congregating in the waiting rooms.
- The front row of parking will be cordoned off to allow use of the outside doors and for the safety of our dancers.
- On entry, every student will have their temperature taken by an Infrared Thermometer. There is no laser.
- We know your children love to hug our teachers, so please talk to them about giving "air hugs" from afar.
- Once a student is admitted into the classroom, that is where they must remain until the end of class, unless they need to use the bathroom.
- If a student has a break in between classes, they should go to the office to find their assigned spot to rest, eat, read and wait until their next class.
- We will have spaces marked out so that the students have their own space both on the floor and on the barre.
- **NO LARGE BAGS.** Just bring your shoes, water bottle, snack, phone, \$\$ for vending machine in a small bag. Each room will have cubbies for students to store items in.
- **NO WATER FOUNTAINS,** so please bring a water bottle with your child's name on it.
- Dressing Room will be closed. We encourage you to come dressed or use individual bathroom for changing.
- Creative Movement Classes will be allowed to have 1 parent/guardian and younger siblings in the waiting rooms. We have spaced out areas.
- For all other classes; No parents, siblings, or caretakers will be allowed to remain in the building. You can stay in your car or come back when class is over. Teachers and office staff will help deliver younger children outside to their parents/caretaker.
- If you need to come in to talk to the office staff please make sure there is not already a customer there. If there is wait at the glass door until your turn. You will need to wear a mask that covers your mouth and nose.
- The office staff will clean the bathrooms, the vending machines, door knobs, chairs, tables etc throughout the night and mopping the floors with bleach/cleaning solutions at the end of the night.
- Teachers will be cleaning the barres in between each class.
- If a student leaves the room, they will be required to wash their hands or use hand sanitizer.

- **For the Safety of our Teachers, Staff, Students, and FBC Families, Dancers will be required to have a face mask at all times. They may step outside the room to lower their mask if needed.**
