

GUIDELINES AND SAFETY PROCEDURES

- **IMPORTANT! We are ONLY signing up by email dance@fredericksburgballet.com to register. You must sign up and just not show up as we may not have a spot for you.**
 - We will have spaces marked out so that the students have their own space both at the barre and on the floor.
 - WATER FOUNTAINS are open but recommended for only filling up water bottles.
 - The office staff will clean the bathrooms, the vending machines, door knobs, chairs, tables etc throughout the night.
 - Teachers will be cleaning the barres in between each class.
 - If a student leaves the room, they will be required to wash their hands or use hand sanitizer.
-
- **For the Safety of our Teachers, Staff, Students, and FBC Families, Dancers will be required to wear a face mask at all times since a large part of our FBC family is under 12. They may step outside the room to lower their mask if needed.**

COVID POLICY

If your child is showing Covid symptoms and is not allowed to go to school, please do not come to dance until they are allowed back to school.

If your child has been exposed to Covid and you are awaiting the results from a Covid test, please do not come to dance until your child receives a negative test result.

Parents, siblings and guardians who have symptoms, who have been exposed, or are waiting to receive test results should also not come into FBC.

Your child will be able to make up any missed classes.
